Friday 3rd April 2020

Dear Parents and Carers,

SCHOOL UPDATE

The last 2 weeks have been very different in school with up to 8 children accessing care and support at St Anne's. School is very quiet and staff and I are missing the children: their laughter, their smiles and their sense of fun. We still don't know how long schools are closed for but we are here to ensure that you as parents are given as much support as possible.

I hope you are all well and you have been able to get into a routine. Teachers are working incredibly hard to ensure that children are given a variety of stimulating and interesting activities to complete on a daily basis. They have expressed their delight at the numbers of children accessing online learning. They are also very pleased to see Seesaw posts of children engaging in other activities at home. It is difficult home schooling, particularly when you have a few children and perhaps only 1 device to work from but it is very important that all children are engaged in some form of daily learning as they won't get this time back! Your children are highly capable of working independently and may surprise you. Teachers have informed me of the children not accessing work online. I will be contacting you shortly to offer some additional support.

We will not be expecting children to complete any online learning from Thursday 9th April until Monday 20th April to give the children (and staff) that are engaging daily a well-earned rest.

School will remain open over the Easter break so if you have any questions or concerns, please give us a ring. There are always at least 2 teachers in school on a daily basis that will be able to support with online issues or ideas for home schooling.

Easter this year will be very different. I hope you have all managed to buy a few Easter eggs to keep everyone happy. I will be in touch very soon!

Prayers and best wishes

Mrs Priest-Jones
