Dear Parents and Carers,

This week, school was notified that two parents from different families have tested positive for COVID 19. The parents were advised to self-isolate along with their children for 14 days.

It is important to stress that the children involved did not display any symptoms whilst accessing care and support however measures have been put in place to reduce any risk to children and staff. The classrooms have been vacated and the children continuing to access the provision are working elsewhere in the school to ensure that the rooms are thoroughly cleaned and sanitised.

Care and support will remain open tomorrow, however the children and staff will use a different classroom to enable further cleaning if necessary. We also intend to open on Monday 29th June but will contact parents if there are any changes.

If you or your children develop any symptoms of Covid 19, please contact the school immediately and follow procedures by self-isolating for 14 days.

If you show symptoms, you can also apply for a coronavirus test (you can find out how to do this on the Welsh Government website: <https://gov.wales/apply-coronavirus-test>).

Please contact school if you have any concerns with regards to the information shared with you today.

Kind regards

Mrs Priest-Jones

Head teacher
