Friday 12<sup>th</sup> February 2021

Dear Parents and Carers,

It has been a long and challenging half term for everyone so firstly, I want to thank all parents and carers that have been committed to supporting your children with online learning. I think most of our children are in a good routine now and are accessing activities and check ins with their teachers, which is wonderful! Your children are a credit to you and I am sure you are very proud of how they have adapted to learning at home again.

As half term approaches, please can I remind you of the Welsh Government guidelines which are in place to keep us all safe. I know our children are desperate to spend time with their friends, however in this current situation we need to remain firm that mixing in each other's houses for tea and or sleepovers are just not possible at the moment. If this happens over the break, then the likelihood of us being able to open after the break is going to be slim. The virus is still in our community and we need to continue to do everything to ensure it doesn't spread into our homes and school.

School will reopen on Monday 22<sup>nd</sup> February for care and support provision only. Please can you notify Mrs Thomas or your child's class teacher if you need a place during that week. I will be in contact with local authority officers on the first day back too, to discuss the phased approach for bringing Foundation Phase children safely back into school. Once we are able to make arrangements, we will notify you as soon as possible. I know for working parents ideally you would like to know now, however the local authority have made it very clear that as Wrexham's infection levels remain high, they are not in a position to open schools until it is safe to do so.

Please can you notify your child's class teacher if anyone in your household during the half term break tests positive for Covid.

Thank you for your support, understanding and patience. Keep safe and I hope you enjoy the break.

Yours sincerely

~~Mrs Priest-Jones~~
