Friday 19th March 2021

Dear Parents and Carers,

It has been brought to my attention that many families are not following current Welsh Government guidelines in relation to Covid 19, consequently putting staff and children at risk. Children in different classes this week have been telling staff about going to houses for sleepovers, having tea in a different household or going to parties!

We are very happy to be back in school and procedures are in school to keep your children safe. This includes the staff having to wear a mask for the whole day which is uncomfortable.

Please show the respect that we show your children by following guidelines!

If I hear that families are not following rules set to keep us safe, I will take it further with social services and the local authority.

Thank you to the families that continue to support the school. It hasn't gone unnoticed.

Kind regards

Mrs Priest-Jones
