Dear Parent

As you are probably aware, the school is closing on Friday 17th December and moving to online learning for Monday 20th and Tuesday 21st December. As in previous lockdowns, there will be a number of ways that online learning will be delivered including Google Classroom, HWB, SEESAW and zoom meetings for face-to-face tasks. Your child's class teacher will advise you on where to access the work.

The school will remain open for key workers children but this is once again only for those parents who are both working and have no other alternative childcare. Vulnerable pupils will be able to access the support and their parents will be informed by the school.

If you were a key worker in the last lockdown and provided the school with proof of your employer then you do not need to show this again. If you have become a key worker and feel, you may be eligible to access Care and Support then you will need to bring proof of your employment to Mrs Thomas or Mrs Stephens in the next few days.

We will need to know by Thursday at the latest if you require a place for Monday and Tuesday so staff ratios can be worked out. Please let your child's class teacher know using seesaw.

Breakfast club will be available for key workers children's and must be booked as normal using Parent Pay. Angela the cook will also provide school meals to those children who require it and again these must still be booked using the Parent Pay system. Please select as usual from the menu but it may be that Angela amends it slightly depending on numbers but your child will be provided with a lunch if booked in.

Opening hours will be the same 8 am for breakfast club/ 8 55am for other pupils and children must be collected at 3-15pm.

Many thanks for your continued support

Mrs Priest Jones/ Mrs Stephens
