Dear Parent

We would like to explain that all primary aged pupils in Wales are now eligible to a Free School Meal regardless of family income and means.

However, for those families on benefits and low incomes who may wish to access the Uniform Grant, help towards residential trips and activities etc the Local Authority Free School Meal Eligibility Form must be completed.

The Local Authority will then assess your circumstances and inform you and the school if you are able to claim Free School meal benefits that include breakfast club for 50p, help with the cost of school residential trips and opportunity to apply for a uniform grant.

Not all families are eligible, and you can only find out if you are by filling in the relevant form.

To make this an easier process we are providing every child with a form that you can fill in and return to school and we will send them to the Local Authority on your behalf. Or you can visit the Wrexham Council website and complete the form online.

If you have already applied and had confirmation that your child is eligible for Free School meals, you do not need to resubmit this information.

Remember ALL children can access a Free School Meal from September but only those families on low income can apply for the Free School Meal additional benefits .

The cost of breakfast club has increased to £2 per day for paying families and there is now a cost of 50p per day for Free School Meal pupils. Children must be booked into breakfast club using the Parent Pay App.

If you have any questions relating to this new process, please see Mrs. Stephens or Mrs. Thomas (School Secretary).

Yours sincerely

Mrs Stephens.
