

School Development Plan

Priorities 2023-2024

The following priorities for this academic year are based on a rigorous self-evaluation process which includes learning walks, lesson observations, talking to learners and celebrating the learning journeys of our pupils across the school.

- Priority 1: To re-develop the prayer life of the school.
- Priority 2: To address and develop pupil skills in creative writing.
- Priority 3: To improve pupils reasoning skills across the school focusing specifically on lower Key Stage 2.
- Priority 4: To address and support the physical and mental healthy of all stakeholders.
- Additional Priorities:
- ◇ To continue to improve attendance across the school.
 - ◇ To embed the Citizen strand of the Digital Communication Framework.
 - ◇ To develop and improve Welsh oracy across the school.
