Dear Parents and Carers,

Re: Relationships and Health Education

In St Anne's Catholic Primary School, we have an obligation and therefore legally required to teach Relationships and Health Education as part of the Curriculum. 'Life to the Full', is a Relationships and Health Education programme which has been adopted by Catholic schools across Wrexham Diocese. By using this programme, we hope that our children will not only have high-quality Relationships and Health Education but also a rich foundation for growth, personal development and happy, fulfilled relationships.

We use this programme to the children from Nursery through to Year 6 and have done for the last few years. We would like to invite parents and carers to a meeting to share some of the resources and to put your minds at ease if you are new to the school or would like to be reminded of the content.

The meeting will take place on Monday 6th October at 2.30pm.

If you are unable to attend, we will send information regarding how you can access the parent portal on line. This will give you an understanding of the programme and also to prepare you if your children come home with any questions or wanting to talk more about what they have learnt in school.

If you would like to attend the meeting, please notify your child's class teacher via Seesaw.

Yours faithfully

Mrs C Priest-Jones

Miss E Davies

Head teacher

Relationships and Health Education Co-ordinator
